AGREEMENT
on the organization of scientific internship

Nur-Sultan

«30» November 2021

Korea Consultant Co., Ltd. hereinafter referred to as the “Host Party”, represented by the President **Jai Sung Yoo** on the one hand, and the **NJSC “The L.N. Gumilyov Eurasian National University”**, hereinafter referred to as the “Sending University”, represented by the Member of the **Management Board – Vice-Rector for Academic Affairs Yerkin Anuarovich Ongarbayev**, acting on the basis of Order No. 1565 - II of October 8, 2021, on the other hand, and **Aizhan Zhankina**, hereinafter referred to as the “Student”, as the third party, hereinafter collectively referred to as the “Parties”, and individually the “Party” or as indicated above, have entered into this Agreement as follows:

1. SUBJECT OF THE AGREEMENT

1.1 The host university undertakes to organize a short-term scientific internship for the student:

Zhankina Aizhan Kuraiyshevna

in the specialty “8D07329 Construction” in accordance with the state compulsory standard, for a period of 45 days from the date of the internship 06th of December 2021 till 19th of January 2022 with the issuance of a certificate at the end of the internship.

2. RIGHTS AND OBLIGATIONS

2.1 The host university undertakes:

- 1) to accept the Student for a short-term scientific internship.
- 2) to familiarize the Student with the Charter of the Host University, the license for the right to conduct educational activities, internal regulations and other regulatory legal acts, as well as basic documents on the organization of the educational process;
- 3) to agree with the Sending institution an individual curriculum for a scientific internship, to create healthy, safe conditions for the Student’s stay at the University;
- 4) to appoint the head of the scientific internship for the period of the Student’s stay at the Host University;
- 5) to ensure free access and use of information resources of the university libraries, textbooks, educational and methodological manuals and teaching aids;
- 6) to provide the Student with the opportunity to use computer equipment to perform tasks as part of a scientific internship, in the manner and under the conditions provided for by separate provisions approved by the head of the Host University;
- 7) to provide the Student with living conditions that meet modern requirements, if there is available accommodation in the hostel;
- 8) after successful completion of training, to issue a certificate of a short-term scientific internship.

2.2. The host university has the right to:

- 1) demand from the Student conscientious and proper performance of duties in accordance with this Agreement and the Internal Regulations of the Host University, as well as compliance with the academic discipline, correct and respectful attitude towards teachers, staff and students of the University;
- 2) apply disciplinary measures to the Student for violating the academic discipline, the terms of this Agreement, the Internal Regulations of the Host University;

3) require the Student to respect the property of the Host University, to comply with the rules for working with computers and other equipment. In the event of material damage caused by the actions of the Student, to demand reimbursement of the costs incurred for its restoration in the manner prescribed by the current legislation of the Republic of Kazakhstan;

4) terminate the Agreement upon the unauthorized termination of the scientific internship by the Student, as well as upon expulsion and other cases involving violation of the Charter of the Host University.

2.3. The sending institution undertakes:

1) to assist the Student in drawing up an individual plan of the scientific internship and its coordination with the department and / or the dean's office of the faculty;

2) to send to the host university a statement of justification indicating the purpose of departure, destination, period, course and language of instruction, specialty of the student and the alleged source of funding.

2.4. The sending institution has the right to:

1) demand from the Student the conscientious and proper performance of duties in accordance with this Agreement and the Internal Regulations of the Host University, as well as compliance with the academic discipline, correct and respectful attitude towards teachers, staff and students of the University;

2) apply disciplinary measures to the Student for violation of the academic discipline, the terms of this Agreement, the Internal Regulations of the Host University;

3) require the Student to respect the property of the Host University, to comply with the rules for working with computers and other equipment. In the event of material damage caused by the Student's actions, demand reimbursement of the costs incurred for its restoration in the manner prescribed by the current legislation of the Republic of Kazakhstan;

4) carry out encouragement and reward of the Student for success in educational, scientific and creative activities;

5) expel the Student if he/she fails to fulfill his/her obligations under the clauses of this Agreement;

6) terminate the Agreement upon the unauthorized termination of the scientific internship by the Student.

2.5. The Student undertakes:

1) to master knowledge, skills and practical skills in full in accordance with the approved plans of scientific internship;

2) to comply with and execute the orders and orders of the Rector of the Host University, the Charter, the Internal Regulations and the terms of this Agreement;

3) to take good care of the property of the Host University and use it rationally;

4) to respectfully and correctly treat the teachers, staff and students of the Host University.

2.6. The student has the right to:

1) receiving additional educational services in excess of the approved internship plan for additional payment;

2) free access and use of the fund of educational, educational-methodical and scientific literature on the basis of the library and reading rooms;

3) consultations of the scientific supervisor from the host university according to the individual plan of scientific internship.

3. SIZE AND PROCEDURE OF PAYMENT FOR EDUCATIONAL SERVICES

1) The cost of having a short-term scientific internship in a master's program is 300 000 KZT per student.

2) The form of payment is a transfer of the relevant payments to the account of the Host University.

Payment terms for the Student: payment for services under this agreement is carried out by the Student by depositing funds in full before the start of the internship after the host university provides an invoice for payment.

After the provision of services by the host university, the following documents are sent to the sending university: an invoice, an act of services rendered, a certificate of scientific internship;

The sending university, after receiving documents confirming payment for the services rendered, reimburses the Student for the cost of a scientific internship by transferring to his/her bank details.

3) The study of courses outside the individual plan of scientific internship, are paid by the Student separately, according to the tariffs (price list) approved by the Host University. The Customer does not reimburse these expenses of the Student.

4. TERMINATION OF AGREEMENT AND LIABILITY OF THE PARTIES

4.1 For non-fulfillment or improper fulfillment of their obligations under this Agreement, the parties shall bear responsibility established by the laws of the Republic of Kazakhstan.

5. PROCEDURE FOR RESOLUTION OF DISPUTES

5.1 Disagreements and disputes arising in the course of the implementation of this Agreement shall be resolved directly by the parties in order to develop mutually acceptable solutions.

5.2 Issues not resolved by the parties through negotiations and the development of mutually acceptable solutions are resolved in accordance with the current legislation of the Republic of Kazakhstan.

6. PERIOD OF VALIDITY, PROCEDURE FOR CHANGING THE TERMS OF THE AGREEMENT AND ITS TERMINATION

6.1 This agreement comes into force from the date of its signing by the Parties and is valid until its full execution.

6.2 The terms of this Agreement can be changed and supplemented by concluding an Additional Agreement.

6.3 The moment of termination of the agreement between the parties is the issuance of a certificate of scientific internship.

6.4 All other issues not regulated by this Agreement are resolved in the manner prescribed by the current legislation of the Republic of Kazakhstan.

6.5 This Agreement is concluded in 3 (three) copies, in Russian, having the same legal force, and is transmitted in 1 (one) copy to the Student, the Sending University and the Host University.

AGREEMENT
on the organization of scientific internship

Nur-Sultan

«30» November 2021

Korea Consultant Co., Ltd. hereinafter referred to as the “Host Party”, represented by the President **Jai Sung Yoo** on the one hand, and the NJSC “**The L.N. Gumilyov Eurasian National University**”, hereinafter referred to as the “Sending University”, represented by the Member of the **Management Board – Vice-Rector for Academic Affairs Yerkin Anuarovich Ongarbayev**, acting on the basis of Order No. 1565 - П of October 8, 2021, on the other hand, and **Aigerim Yenkebayeva**, hereinafter referred to as the “Student”, as the third party, hereinafter collectively referred to as the “Parties”, and individually the “Party” or as indicated above, have entered into this Agreement as follows:

1. SUBJECT OF THE AGREEMENT

1.1 The host university undertakes to organize a short-term scientific internship for the student:

Yenkebayeva Aigerim Seksembaikyzy

in the specialty “8D07329 Construction” in accordance with the state compulsory standard, for a period of 45 days from the date of the internship 06th of December 2021 till 19th of January 2022 with the issuance of a certificate at the end of the internship.

2. RIGHTS AND OBLIGATIONS

2.1 The host university undertakes:

- 1) to accept the Student for a short-term scientific internship.
- 2) to familiarize the Student with the Charter of the Host University, the license for the right to conduct educational activities, internal regulations and other regulatory legal acts, as well as basic documents on the organization of the educational process;
- 3) to agree with the Sending institution an individual curriculum for a scientific internship, to create healthy, safe conditions for the Student’s stay at the University;
- 4) to appoint the head of the scientific internship for the period of the Student’s stay at the Host University;
- 5) to ensure free access and use of information resources of the university libraries, textbooks, educational and methodological manuals and teaching aids;
- 6) to provide the Student with the opportunity to use computer equipment to perform tasks as part of a scientific internship, in the manner and under the conditions provided for by separate provisions approved by the head of the Host University;
- 7) to provide the Student with living conditions that meet modern requirements, if there is available accommodation in the hostel;
- 8) after successful completion of training, to issue a certificate of a short-term scientific internship.

2.2. The host university has the right to:

- 1) demand from the Student conscientious and proper performance of duties in accordance with this Agreement and the Internal Regulations of the Host University, as well as compliance with the academic discipline, correct and respectful attitude towards teachers, staff and students of the University;
- 2) apply disciplinary measures to the Student for violating the academic discipline, the terms of this Agreement, the Internal Regulations of the Host University;

3) require the Student to respect the property of the Host University, to comply with the rules for working with computers and other equipment. In the event of material damage caused by the actions of the Student, to demand reimbursement of the costs incurred for its restoration in the manner prescribed by the current legislation of the Republic of Kazakhstan;

4) terminate the Agreement upon the unauthorized termination of the scientific internship by the Student, as well as upon expulsion and other cases involving violation of the Charter of the Host University.

2.3. The sending institution undertakes:

1) to assist the Student in drawing up an individual plan of the scientific internship and its coordination with the department and / or the dean's office of the faculty;

2) to send to the host university a statement of justification indicating the purpose of departure, destination, period, course and language of instruction, specialty of the student and the alleged source of funding.

2.4. The sending institution has the right to:

1) demand from the Student the conscientious and proper performance of duties in accordance with this Agreement and the Internal Regulations of the Host University, as well as compliance with the academic discipline, correct and respectful attitude towards teachers, staff and students of the University;
